# T7470BKSS

## Mechanical Hands Free Towel Dispenser 1.5" Core

### DESCRIPTION

**INS-DI-T7470BKSS** is a sophisticated, touchless towel dispenser engineered for high-traffic environments. Its black/stainless steel look adds a sleek, professional touch while ensuring durability, and simplifying maintenance. The mechanical motion system promotes hygiene by eliminating contact. It ensures consistent towel dispensing and reduces waste with its automatic precision mechanical cutter, which dispenses 10" (254 mm) portions of roll towel.

### FEATURES & BENEFITS

#### Hygienic Touchless Dispensing

Reduces the spread of germs with the mechanical motion system.

#### Easy to Load, Operate & Maintain

#### Automatic Precision Mechanical Cutting Dispense

10" (254 mm) portions of roll towel.

#### Durable & Cost-Effective

Combines efficiency and cost-effectiveness with 15% more hand dries per roll, minimizing waste.

#### No Batteries Required

#### Fast Paper Deliver

No need to wait for sensor
