Lever Roll Towel Dispenser 1.5" Core

DESCRIPTION

INS-DI-T970BKSS is a reliable and stylish lever roll towel dispenser, designed for commercial and high-traffic environments. Its black/stainless steel look offers durability while simplifying maintenance and a modern aesthetic. The manual lever provides a controlled and efficient towel dispensing experience, making it a cost-effective and hygienic solution for offices, restaurants, healthcare facilities, or restrooms.

FEATURES & BENEFITS

Hygienic Dispensing

Reduces the spread of germs when use with the elbow.

Ergonomic Lever

The handle ensures ease of use and prevents towel waste.

High-Capacity Dispensing

Stores a standard 800' 8" roll towel reducing the need for frequent refills.

Ergonomic & Convenient

Ideal for dispensing in tight spaces.

No Batteries Required

Universal System
