

SHOP 10

Cleaner-Degreaser, High Performance

DESCRIPTION

INO SHOP 10 is a powerful multi-surface degreaser, designed to deliver fast and uncompromising results. Its high-performant, solvent-rich formula effectively dissolves oils, grease, and stubborn dirt without leaving any residues. Odorless and highly effective, it delivers optimal performance while preserving the original appearance of surfaces. Whether for industrial or institutional use, **INO SHOP 10 gets the job done—plain and simple.**

BENEFITS

High-performance

Formulated to quickly dissolve grease, oil, and stubborn dirt.

Cost-effective

Its formula allows for cost-effective dilutions based on the level of soiling, optimizing usage costs without compromising performance.

Versatile Multi-Surface Cleaner

Safe for use on various surfaces, it delivers a streak-free clean and leaves surfaces visibly bright and spotless.
