CONCENTRATED DEGREASER

This degreaser is a powerful heavy duty liquid formulated for the most difficult cleaning tasks. Grease cutting formula uses biodegradable solvent, naturally occurring ingredients and cleaning agents. The degreaser will remove carbon and greasy residues from walls, floors, machinery and any washable surfaces. It is so versatile, that it will remove tire marks on concrete and is excellent for smoke damage clean-up. Product will not damage aluminum surfaces. With Ecological certification, this degreaser is the logical choice for Health and Safety and is preferable for the environment. This ecological product is phosphate free and 100% biodegradable. Dilute with cold water to save energy.

CHARACTERISTICS

Colour	Colourless to yellow liquid
Gravity	1.06 at 20°C
Odour/perfume/fragrance	Tangerine oil
pH	12
Solubility	Complete
Viscosity (cps)	< 100 cps à 25°C
VOC	0%

FEATURES

Biodegradable according to OECD 301D
Authorized by the Canadian Food Inspection Agency for use in registered establishments.
Certified Ecologo and Green Seal.
Meets the LEED certification standards.
Hypoallergenic and very safe for human and aquatic life.
Manufactured from renewable resources.
Phosphate and silicate free and contains no butyl or limonene based solvents.
NPE/APE free.
Non-corrosive pH action can be used for cleaning any surface.
No ammonia
No bleach
Phosphate free
Suitable for food plant use in Canada

DILUTION RATE

■	Saleté légère:	1:128
■	Saleté moyenne:	1:64
■	Saleté tenace :	1:16
