

*On Health Canada's List of Effective Disinfectants
that Kill SARS-CoV-2, the cause of COVID-19.*

✓ Bactericidal ✓ Fungicidal ✓ Mycobactericidal ✓ Virucidal

Certainty™ Medical TB Disinfectant Wipes are specially formulated for rapid disinfection of hard, non-porous surfaces in **just 1 minute!**

Our fast-acting, ready-to-use wipes eliminate bacteria, fungi and viruses including mycobacterium, one of the most difficult microorganisms to kill.

Protect your patients and staff with confidence.

- Broad Spectrum Disinfectant
- Removes organic debris
- Safe to use on a wide range of hard surfaces
- Strong, premium quality material

Features & Benefits

1 Minute Kill Time

Fast-acting formula uses a combination of 3 active ingredients to quickly destroy pathogenic microorganisms.

Infection Control

Single use to prevent the risk of cross contamination.

Convenient

Ready-to-use, pre-moistened wipes are packaged in a portable canister that can be placed where they are needed most.

Effective

A broad spectrum disinfectant that has been proven effective against fungi, mycobacterium, viruses and bacteria. Wipes stay wet to help ensure proper surface coverage for rapid disinfection.

Material Compatibility

Non-corrosive formula is compatible with a wide range of environmental hard, non-porous surfaces. No residue or streaking.

Registered with Health Canada

DIN02492229
