Odour Counteractant

Code: **ORGE**

Safeblend Ready to Use Odour Counteractant quickly and effectively eliminates odours at the source. It neutralizes malodours in the air and fabrics leaving a fresh, clean scent. It's ready to use formulation is excellent for use in garbage areas, dumpsters and washrooms.

DIRECTIONS FOR USE:

Preparation: Remove all loose soils around stain. A bone scraper or equivalent tool may be used to gently remove solid residues without damage to the carpet.

Application: For best results, spray stain sufficiently to completely wet surface without soaking. Allow to dwell 2-3 minutes, longer contact time up to 30 minutes is preferable. For tough stains, use bone scraper or equivalent tool to gently rub the stain, pulling it to the center (to avoid spreading stain). Blot stained area with a clean cloth. Continue blotting until all the liquid has been absorbed. If necessary, re-apply. Rinse by spraying water on treated surface and blot again with clean microfiber cloth.

NOTE: Pre-test for colourfastness in an inconspicuous area of the carpet or fabric.

STORAGE: Keep in a tightly sealed opaque container away from sunshine in a well-ventilated room. Do not store on surfaces that may come into contact with food products. Keep from freezing.
