

POWDER-FREE VINYL GLOVES INDUSTRIAL GRADE

INS-GL-VIN-100

Powder-free vinyl gloves VINY CL are an excellent alternative to latex gloves. Made from high-quality vinyl, these gloves provide reliable protection against germs, bacteria, chemicals, and other harmful substances.

Non-sterile, these gloves are suitable for various non-medical applications, such as food service, beauty & cosmetic, mechanics, and more. Their powder-free design offers enhanced comfort and minimizes skin irritation.

In addition to their excellent durability, INSTINCT gloves offer outstanding dexterity and a comfortable fit. These gloves have been thoroughly tested and approved for their ability to provide effective protection against germs and bacteria while offering optimal flexibility and ease of use.

INSTRUCTION FOR USE

Before putting on gloves hands must be clean and dry. Gloves do not replace the need for hand hygiene. Hands must be washed every time gloves are removed to avoid contamination. Gloves are for single use. Reuse of gloves has been associated with transmission of antibiotic-resistant organisms. Change gloves if moving from a contaminated area to a non-contaminated area. Be sure to wear gloves that fit properly, gloves should fit snugly around wrists and hands. Different sizes are available.

100 pieces per box, 10 boxes per shipping carton. Store in a cool, dry place. Avoid excessive heat (40°C, 104°F). Shield open boxes from direct sun and fluorescent lighting. To order, please refer to a specific size and mention the product code.
