

INO-DE9930BLK

Foam 1,000 ml Counter Mount Dispensing System

This INO derm 9930 counter mount dispenser features an innovative system that refills from above the counter! No messy pumps and no need to crawl on the floor. This system uses self contained sealed refill bags, so you can "top-off" the soap whenever you like, no need to wait until the reservoir is empty.

The INO derm 9930 Counter Mount system fills with specially developed, creamy moisture wash formulas. Each of the 2 products contains Emollients to help soothe and protect skin, and humectants to help maintain skin's natural moisture. Of the two moisture wash products, one has a sophisticated new fragrance and one is dye and fragrance free. Dispenser comes in black with stainless steel trim.
